

22 Catherine Street SUBIACO WA

3  1  1 

What a fantastic opportunity to purchase an - icon - of Subiaco in best location. A unique GREEN TITLE property! A unique location! The vendors are motivated and prepared to sell before Christmas! I challenge you to find a property of this calibre at this price in Subiaco!

This beautifully restored and maintained terrace located in the heart of Subiaco, just metres away from Hay Street and being one of the Archbishops Row, an historic row of restored - London style - terrace homes, in one of Subiacos precincts, oozes character and style with a modern twist!

The sought after central location is a huge attraction to many professional couples and singles, with the other major attraction being the potential for an excellent investment return.
