

513 Lennard Street Dianella WA

4  2  3 

This four-bedroom, two-bathroom home is conveniently located in cul de sac end of Lennard Street away from passing traffic, in walking distance to the Lennard Street bus run into the City and all the local schools and shops. Partly renovated with a brand-new kitchen, Caesar stone bench tops, brand new appliances and stunning large wall tiles. Good size living and entertaining areas both inside and out for those family gatherings.
